2. Duties. The duties and responsibilities of the Director of Student Services shall be all those duties incident to the office of the Director of Student Services as set forth in the job description, a copy of which can be found in the employee’s personnel file; those obligations imposed by the law of the State of Illinois upon the Director of Student Services; and to perform such other duties normally performed by the Director of Student Services as from time to time may be assigned to the Director of Student Services by the Superintendent of Schools, Assistant Superintendent(s) or the Board. Date: February 11, 2025	Subject: Community Summer Program Scholarship Agreement
Initiated By: Maria Robertson, Director of Communications & PR	Attachments: Summer Program Scholarship Agreement 2025
Reviewed By: Dr. Larry Gray, Acting Superintendent of Schools, and Dr. Jay Marino, Assistant Superintendent of Support Services	

BACKGROUND INFORMATION:

District Administrators recognize the need to provide students with academic, social, and personal enrichment opportunities year-round. With both District-led and community-based program offerings, students of all ages can benefit from summer programs. District-led summer school will be offered during the month of June and will operate out of designated school campuses.

CURRENT CONSIDERATIONS:

In collaboration with Decatur's community partners, the District is offering again, an event for families to learn more about and register for community-based summer programs for a fourth year. Last year's event was a success, and attendance doubled the previous year with over approximately 320+ families attended. This year's Community Summer Sign Up & Family Resource Event has not been determined; however, will take place this spring.

Parents/guardians can visit and speak to representatives from the community to gain an overview of program offerings and register their child onsite to participate in the community partner's summer program. Additionally, the Student Services Department will hold a Community Family Resource Fair where service partners, such as the Decatur-Macon County Opportunities Center and Crossing Healthcare will be present to share information about resources and assistance available for families in need. The District is combining both events to better serve the families of DPS.

FINANCIAL CONSIDERATIONS:

District Administration recognizes the need to work with community partners to offset any financial hardship for DPS families seeking summer activities and will use federal funds (grant) and/or the Communications & PR budget to provide scholarships for active DPS students to participate in community programs for during the summer of 2025.

The Administration respectfully requests the Board of Education to approve the Summer Program Scholarship Agreements for the summer of 2025 as presented.
