MONARCH MADNESS

50th Anniversary — 2025-2026

1910 - The original Dennis School was established on West Main Street. The current building, known as the "Mosaic Campus," opened its first wing in the fall of 1910 with three classroom teachers. Over time, the school expanded to accommodate the growing community.

1974- Ms. Hinman's 3rd-grade class at Dennis Elementary School proposed the Monarch butterfly as Illinois' state insect. This marked the first time in Illinois history that children introduced a bill to the legislature.

1975- Webber Borchers proposed Bill 804 to designate the Monarch butterfly as Illinois' state insect. With the help of Senator Robert McCarthy, both the House and the Senate passed the bill on October 1, 1975. Governor Daniel Walker then signed it into law.

1986- Artist Larry Weatherholt and his son, Stephen Weatherholt, began construction on the Monarch Butterfly Monument.

2014 - Mrs. Burnham's and Mr. Callahan's 3rd-grade classes researched how a bill becomes a law and took action to turn the Butterfly Monument into a city landmark.

2015 - The Decatur City Council approved the proposal declaring the Monarch Butterfly Monument a city landmark, marking its 40th anniversary.

President Clevenger called the meeting to order at 6:30 PM.

TOPIC	DISCUSSION	ACTION
Call for Public Hearing – Tentative Budget for Decatur Public School District 61	President Clevenger called the Public Hearing to order at 6:30 PM and noted for the Board and public that the hearing was to give an opportunity to the public and Board Members to present any written or oral testimony and/or comments on the subject of the Tentative Budget for Decatur Public School District 61 for the Fiscal Year beginning July 01, 2025 and ending June 30, 2026. The Board of Education had a tentative form of this budget prepared by the Business Office and the Board Secretary has made the same conveniently available to the public for inspection for the last 30 days prior to today's action.	Public Hearing was held from 6:30 PM – 6:58 PM.

President Clevenger asked if any written comments had been received or if anyone wanted to present written comments. None had been received and none were presented.

President Clevenger asked if anyone wished to speak on this subject and no one requested to speak.

Dr. Mike Curry, Chief Operational Office, presented another update on the Tentative Budget for Decatur Public School District 61 for the Fiscal Year beginning July 01, 2025 and ending June 30, 2026 (see attached presentation in Board packet).

Challenges ahead for District 61

- Federal & CPPRT Revenue Decline:
 - Reduced funding sources signal tighter fiscal conditions.
- Declining Enrollment:
 - Fewer students impact funding formulas and resource allocation.
- Aging Infrastructure:
 - Increased maintenance and capital investment needs.

____TOPIC_____DISCUSSION_____ACTION_____

Opportunities and Strengths

- "Saving" of excess CPPRT over the past 4 years has allowed for us to have a runway.
- \$5M One-Time Payment:
 - Provides immediate flexibility for strategic investments.
- Solid Fund Balances:
 - Enables a phased, stable approach to expenditure adjustments.

Note: CPPRT funds (corporate profits) are based off of profits; if profits decrease, funds would decrease.

Superintendent Clark noted that per previous discussions with her cabinet, they thought it would be at least three (3) years until budget cuts based off of student enrollment, but it continues to decline.

Dr. Curry replied that this is the year the Board of Education should start thinking about needs versus wants versus eliminations versus supplements.

Mr. Reynolds noted that Health/Life/Safety Bonds does not have to be spent at one time. However, the Board of Education needs to make decisions on the following buildings:

- Dennis
- French
- American Dreamer

President Clevenger wants to get the planning process back in order. He also stated that infrastructure projects were not cheap and decisions should not be made one by one.

President Clevenger asked if the Board Members had any questions and/or comments on the Tentative Budget for Decatur Public School District 61 for the Fiscal Year beginning July 01, 2025 and ending June 30, 2026. The Board Members had no additional comment (s) and/or requests.

President Clevenger noted that he had given an opportunity for public participation, oral and written testimony, and then declared the public hearing closed at 6:58 PM.

Continued Open Session Called to Order President Clevenger called the Open Session meeting to order and asked for a motion. Open Session at 6:59 PM.
 Motioned by Mr. Reynolds and seconded by Mr. Hale.

Approval of Agenda, September 23, 2025	Superintendent Clark recommended the Board of Education approve the September 23, 2025 Open Session Board Meeting Agenda as presented. Mr. Reynolds moved to approve the recommendation, seconded by Mr. Hale. All were in favor.	Agenda was Approved as presented.
District Highlight	Cordell Ingram, Principal at MacArthur High School, shared data (see attached presentation in Board packet) regarding the following: • AP scores of 3+. • Freshman on track. • 4-year and 5-year graduates. • Attendance rate and how MHS tackles student truancy. Principal Ingram noted that the altercation that happened during the football game did not involve DPS students.	Information only.
Public Participation	President Clevenger noted that during Public Participation, the Board of Education asked for the following: • Identify oneself and be brief. • Comments should be limited to 3 minutes. • Any public comments submitted to the Board Secretary will be included in the record. Gloria Chalmers, DPS alumni, parent and substitute, spoke to the Board of Education and noted as of June 2025, there were over 40,000 vacant teaching positions throughout the United States. Last year, DPS had an 11% vacancy rate, meaning over 50 classrooms were without certified teachers; the continued vacancies were detrimental to student achievement and classroom stability. She was proud of the District for recruiting through the International Teacher Program. This program has brought highly-qualified-experienced professional teachers into our classrooms and the Decatur community. These educators were filling long-term vacancies at some of our neediest schools. These teachers were kind and gracious individuals, who were deeply committed to the success of our District. This was also an opportunity for cultural enrichment for our students and the Decatur community. She thanked the Board of Education and others as the International Teacher Program was positive for our District and the Decatur community. Cathy Briggs, teacher and parent in DPS, spoke to the Board of Education and gave a “shout-out” to Maria Robertson, Director of Communications and Public Relations, for her positive narratives and videos in order to keep everyone informed. She was also asked to be in a positive Superintendent Focus Group Session that made her proud to be a DPS parent. She had the opportunity to meet some of the International Teachers and their attitude has changed her outlook as an American;	Information only.

TOPIC	DISCUSSION	ACTION
Public Participation Continued	it made her proud to be a part of this supportive Decatur community. This was a great addition to our District. Maggie Potempa, DPS parent, spoke to the Board of Education regarding the continued support for the International Teachers. This was positive and exciting for our District. She thanked the entire Decatur community for their support and encouragement and noted that they were not unnoticed. When we all want the same thing, it brings strength. She thanked the District for the parent communication tool; this has been the smoothest start she's ever had as everything was in one place and she felt empowered to remain engaged. She encouraged the District to use this tool for other communication to parents. She asked for specific data on parent engagement at the end of the school year. Social media is not always an effective tool for parents, but they need to know how to get the information as appropriate. She noted that the District needs a superintendent (leader) that could hold staff to clear-fair standards by utilizing data and trust so that teachers felt supported and expectations remained at a high level. We need to find ways to retain our best educators. Strong accountability and recognition were needed in order to move District 61 forward. Sarah VanKirkley, DPS parent, spoke to the Board of Education regarding the International Teacher Program and African proverbs. She noted her educational background in International Studies and shared information from the Bureau of Educational Cultural Affairs. It highlighted how International Teacher Programs could build friendships and broadened the global mindsets of students. The teachers collaborate on an expanded level and the program helps address shortages. She has met some of them and thanked the District for being a part of the program. She would like to keep it and hope they could move towards permanent residency. Abby Steele, DPS parent, spoke to the Board of Education regarding her relationship with DPS, due to her daughter's educational experience last school year. She made the conscious decision to hear, see and focus on the positives in hopes of healing. She shared the below: 1) The union president offered his assistance to the counseling office. 2) Her daughter's teacher went above and beyond to make sure she could take an in-person math class instead of zoom. 3) The MHS Booster Club is a well-oiled machine and the majority of the members do not have students in DPS anymore, however, they continue to be committed. 4) Kudos to the District for using a Search Firm with previous superintendents. 5) Thanks to the Decatur community for their support with the International Teachers. She would like for the support to continue.	Information only.

TOPIC	DISCUSSION	ACTION
	Superintendent Clark thanked the Decatur community for their support with the International Teachers. There have been meetings with the International Teachers and the goal was for them to remain independent. The relationship would continue with the Peoria Team. Monica Wilks, Director of Human Resources, Mary Brady, Director of Teaching and Learning-Elementary, and Sam Mills, President of the Decatur Education Association shared information regarding the current International Teachers in DPS 61. BUSINESS OFFICE OFFICIAL

Hello Parents

The Eisenhower wrestling team needs to raise money to support our program, buy equipment and pay for travel and tournament expenses. One fund raising activity we are considering is fall yard work and clean up.

To do this, we would volunteer time to Old King's Orchard, a local Community Center located here in Decatur.

Specific type of work would possibly include:

- lawn mowing. (we will most likely only do small yards with push mowers)
- weed trimming
- brush cleaning/removal
- trimming shrubs
- raking/bagging leaves

Tentative dates and times would include most Saturdays in September and October with work lasting approximately four or five hours per day, for example, 10:00 a.m – 2:00 p.m.

We will also plan to do some work in early Spring as well.

Please sign below to allow your student/wrestler to participate. Also please include an emergency phone number and the name of your child.

Perform Fall / Spring Activities

- Upkeep of the Peace Garden (weeding, trimming, tilling, etc.)
- Spreading mulch (as needed or directed)
- Raking leaves and picking up sticks
- Weeding the flower bed around the building
- Pruning roses and transplanting flowers when needed. (This would likely take place in early Spring around March)
- Cleaning building gutters
- Replacing and/or shaping shrubs (OKO East)
- Community service efforts for citizens (cleaning fence rows, overgrowth, etc.) as days/time permits under direction of OKO

Dates of Service and Availability

Fall 2025

September 20th, 21st (tentative),

October 4th, 11th, 18th, 25th

Spring 2026

March 7th (tentative and allowing for weather), 14th, 21st, 28th

April 11th, 18th, 25th,

Financial Goal: Our goal this year is to have approximately \$6000 in our Sports Booster Club Wrestling account. This money will be used to:

- Purchase new warm ups and uniforms. We currently have 32 athletes on our roster. Cost of uniform packages are \$100 each. Total estimated cost: \$2800. (we have some uniforms/warm ups available)
- Head gear: average price \$45 x 25 pair = estimated cost: \$1,125 (Our head gear has not been replaced/replenished since I've been coaching the last 6 years.)
- Food for wrestling tournaments. For our tournaments, athletes spend an entire day (includes departing at 5:30 a.m., returning around 8:00 p.m.) competing on average of four to five times. Many of our athletes are from underprivileged families and don't have access to meal money for concessions or stopping at restaurants for food. Our goal is to have money available for those team members to purchase food.
- Boys tournaments = 5
- Girls tournaments = 3
- Estimated cost: \$2000
- Post Season Tournaments: The girls and boys wrestling teams have separate Regional, Sectionals and State tournaments at the conclusion of the regular season. Any wrestler, girl or boy, that qualifies for the State tournament will participate in a multi-day series that will require hotel lodging. Estimates are difficult since we don't know for sure who may qualify. However, I believe we have at least two boys and two, possibly three, girls that have a good chance of making it to the State Tournament.

Additional Information

Girls wrestling is recognized as the fastest growing sport in the U.S. as of July 2025. There are now around 150 colleges offering girls wrestling with many of them having scholarship opportunities. This provides a great avenue for our young women to take advantage of the educational paths that many previously found too difficult to obtain.

Our U.S.A. women's wrestling team is one of the best in the world and is poised to continue only getting better as more and more young women participate.

Administrator and Administrative Support Compensation and Benefits

Introduction

This handbook provides the policies and procedures employed by the Decatur Public School District for Administrators and Administrative Support Staff.

This handbook applies to Administrative and Administrative Support employees who are not part of a collective bargaining unit in the District. Employees who are members of a collective bargaining unit in the District shall be subject to the terms of the collective bargaining agreement applicable to his/her collective bargaining unit.

Decatur Public Schools does not intend that this handbook, whether provided to an employee before commencement of employment or after commencement of employment, constitutes as any part of any offer of employment or be interpreted expressly or implicitly to constitute a contract for employment or to provide evidence of the existence of a contract of employment between Decatur Public Schools and any employee.

Some employees covered by this handbook have individual contracts. In the event of a conflict between the individual contract of an administrator and the terms of this handbook, the terms of the individual contract shall prevail.

These policies and procedures are subject to change by the Board of Education.

Health Insurance

A. Single Insurance

The Board provides each full-time employee with health insurance coverage as described in the Decatur School District No. 61 Group Medical Plan(s). The employee's portion of the premium will be the same as noted in the Teacher Collective Bargaining Agreement. Employees under contract less than full-time but more than 30 hours per week will be provided the same coverage as a full-time employee. The employee-paid portion of the premium shall be sheltered from federal income taxation to the extent permissible under Section 125 of the Internal Revenue Code. See web page - <https://www.dps61.org/Page/165>

B. Family Insurance

Health insurance coverage for the family of the employee is provided on an optional basis. Employees who select family coverage insurance will pay the employee portion of the premium noted in the Teacher Collective Bargaining Agreement toward the family health insurance premium and shall be sheltered from federal income taxation to the extent permissible under Section 125 of the Internal Revenue Code. See web page - <https://www.dps61.org/Page/165>

C. Single Insurance – Retiree

The health insurance coverage presently in effect will be provided on an optional basis to employees who retire from the District. The TRS retiree who opts to participate in the employee group health insurance plan will pay the entire annual premium plus the surcharge imposed by the insurance carrier. The IMRF retiree who opts to participate in the employee group health insurance plan will pay the entire annual premium with no surcharge imposed by the insurance carrier. Retiree coverage will terminate when the retiree reaches the age of sixty-five (65). See web page - <https://www.dps61.org/Page/165>

D. Family Insurance – Retiree

Health insurance for the family of the retiree will be on an optional basis for employees who held District family health insurance at the time of retirement. Retirees who opt for this coverage will pay the entire premium. The TRS retiree must also pay the surcharge imposed by the insurance carrier. Coverage for the spouse will be terminated when he or she reaches the age of sixty-five (65). Dependents are allowed as provided by federal law. See web page - <https://www.dps61.org/Page/165>

Cafeteria Plan (Section 125)

1. Medical Reimbursement Plan

1. Any FSA funds expended that are not appropriately verified shall be processed as reportable earnings through payroll as soon as feasible.
2. A Health Savings Account (HSA) is an account owned by a "qualified" individual. Any contributions made to the HSA become the property of the employee and are exempt from federal income tax withholding, social security tax, and Medicare tax. Contributions to the Account are used to pay unreimbursed medical expenses. For calendar year 2024
3. , the employee can contribute up to \$4,150 for self-only coverage or \$8,300 for family coverage. The Board shall contribute to the HSA the same amount as provided to the qualified Teacher.

Some employees covered by this handbook have individual contracts. In the event of a conflict between the individual contract of an administrator and the terms of this handbook, the terms of the individual contract shall prevail.

These policies and procedures are subject to change by the Board of Education.

The X-step is intended as a payment to the qualified retiring Administrative Support Staff employee for recognition of the many years of faithful and dedicated service given to the District. In order to qualify for the X-step (\$3,000), an Administrative Support Staff employee must have been employed for at least twenty (20) years with the District. The employee must notify the Director of Human Resources in writing, an irrevocable letter of retirement in the year prior to the year retirement benefits begin, no later than sixty (60) days prior to the stated retirement date, of the employee's irrevocable intent to retire from service and collect benefits from IMRF. The bonus shall be paid post-retirement and will not be reported to IMRF as creditable earnings.

B. Administrator Retirement Notification

Changes in Illinois Law or the Illinois Administrative Rules that have a negative impact to the District associated with the cost of the benefits described below shall cause the prospective discontinuance of the retirement program for individuals who have not submitted an irrevocable letter of retirement in the year prior to the retirement benefit beginning.

No employee is allowed the retirement benefit unless the employee is eligible to retire with a retirement annuity from TRS. Retirement benefits shall be calculated on base

pay. Additional pay for work performed (i.e. summer school) shall not be used in the retirement benefit calculation. The retirement benefit can only be achieved once.

Upon receipt of a letter of retirement that officially notifies the Board of an Administrator's (levels 13-20) irrevocable date of retirement, the Administrator will qualify for the following retirement incentive provided the letter is received in the respective year. If an employee's pay is reduced due to reduction in work year or reclassification, the employee's pay in the work year during which the reclassification becomes effective or in which the work year is reduced, shall reflect a proportional decrease in compensation.

No later than:

- 1) June 1, of the year prior to retirement: For the final year of employment, the Administrator's creditable earnings shall be increased by five and three-quarters percent (5.75%) over the employee's creditable earnings for the prior year. In order to be eligible for this retirement incentive, employees must be employed by Decatur Public School District #61 for the twelve consecutive years that precede the retirement date.
- 2) June 1, two (2) years immediately prior to retirement: For the final two (2) years of employment, the Administrator's creditable earnings shall be increased by five and three-quarters percent (5.75%) over the employee's creditable earnings for the prior year. In order to be eligible for this retirement incentive, employees must be employed by Decatur Public School District #61 for the thirteen consecutive years that precede the retirement date.
- 3) June 1, three (3) years immediately prior to retirement: For the final three (3) years of employment, the Administrator's creditable earnings shall be increased by five and three-quarters percent (5.75%) over the employee's creditable earnings for the prior year. In order to be eligible for this retirement incentive, employees must be employed by Decatur Public School District #61 for the fourteen consecutive years that precede the retirement date.
- 4) June 1, four (4) years prior to retirement: For the final four (4) years of employment, the Administrator's creditable earnings shall be increased by five and three-quarters percent (5.75%) over the employee's creditable earnings for the prior year. In addition, if a letter of retirement is received by June 1 immediately prior to the final four years, the Administrator's accumulated sick leave will be doubled, not to exceed 340 days, prior to the beginning of the upcoming school year. In order to be eligible for this retirement incentive, employees must be employed by Decatur Public School District #61 for the fifteen consecutive years that precede the retirement date.

- 5) Administrators on levels 13 through 20 with between 5 – 12 consecutive years, upon receipt of an official letter of retirement submitted prior to the final year, shall be entitled to a 5.75% increase in their final year.
- 6) Administrators on levels 13 through 20 with between 5 – 11 consecutive years, who submit an official letter of retirement by June 1 prior to the beginning of the employee's final year, shall be entitled to up to 180 days of additional sick time prior to June 30, per TRS rules.

Memorandum

To: Dr. Mike Curry, Chief Operations Officer

Subject: Updated Demographic Study for 2025-26 School Year

In 2018 and 2022, our firm completed a comprehensive demographic and enrollment projection study for your district.

At your request, we will outline what tasks we would perform as part of an updated study:

- Capacity Analysis: we would calculate student capacity based on gross square footage, number of classrooms, classroom square footage and teaching stations, and develop a weighted matrix that would give some perspective as to whether there is room for more students in your current buildings and whether the buildings can handle the expected enrollment.
- Boundary Analysis: If there is a need for any changes to your attendance boundaries, we would provide three scenarios to show how boundaries could be changed to balance enrollment better and based on our projections. We would also create an online lookup map for you at no additional charge.
- Comprehensive study, which will include the following:
 - Birth data for up to 2024 from the state Health Department.
 - Tracking the accuracy of our last set of projections. Of particular concern is the large drop in expected enrollment from the projected baselines.
 - Expand and update demographics of the community, as included in the previous study.
 - Analysis of housing and economic factors that could impact the district's enrollment. This will also include a look at building permits and housing sales and their impact on enrollment. If the City of Decatur can provide information on future planned developments, that analysis will also be included in the project. We also are anticipating expenses of about \$2,000 to buy parcel data from the county.

- Impact of private school/home-school enrollment on the district's enrollment.
- Purchase of new demographic vendor data that shows the 10-year trends in the district.
- All maps, tables, charts and graphs would be updated with the latest available data. A new 10-year by-grade and by building enrollment projection would be completed.

We are proposing a total cost of \$32,300, with any travel expenses billed separately based on how many in-person meetings that you'd like for me to attend.

The timeline for completion would be by early November, 2025, based on receiving the Sept. 30 roster count data as near as possible to that date. We would collect the rest of the data that we need during the next few weeks to avoid over-burdening the data staff.

My firm appreciates the chance to serve the Decatur School District with this important information. Thank you for your consideration of this proposal.

Date: October 14, 2025	Subject: Solar Power Purchase Amendment
Initiated By: Dr. Mike Curry, Chief Operations Officer, Floyd Bolt, Director of Buildings and Grounds	Attachments: Amended Agreement with StratghtUp Solar/Hawk-Attollo LLC
Reviewed By: Dr. Rochelle Clark, Superintendent, Dr. Mike Curry, Chief Operations Officer, District Legal Counsel, and Eldon Conn, Assistant Superintendent of Support Services	

BACKGROUND INFORMATION:

At the direction of the Board of Education, the Operations Department has spent the past two years investigating the potential positives of solar power agreements on the district's finances and properties. After numerous interactions, presentations, vendor meetings and projections, the Board of Education entered into a third-party agreement with Nania Energy Advisors to serve in the role of professional advisors in a bidding project for solar providers interested in collaborating on a Power Purchase Agreement with Decatur Public School District #61. A final power purchase agreement was reached and agreed to with Shine on Solar/Hawk-Attollo in June of 2025.

CURRENT CONSIDERATIONS:

Current legislative decisions at the Federal level and a tedious approval process on the part of the power company has put multiple projects in jeopardy of not meeting safe harbor status requirements prior a new and changing deadline. Projects that do not meet safe harbor status will lose their incentive credits. At this point in time, only the Muffley and Franklin Grove projects have made it through the approval process. Hawk-Attollo is requesting an amended rate of .045/KwH for these two projects. While not ideal, this rate is still half the cost of the district's upcoming rate. Additionally, the amended contract addresses rate reductions if/when the other projects receive safe harbor.

FINANCIAL CONSIDERATIONS:

There is no financial cost to the district, just reduced savings. The district entered into a twenty (20) year agreement to have solar arrays installed at six (6) district locations, including Stephen Decatur Middle School, Hope Academy, Franklin Gove Elementary, Muffley Elementary, Eisenhower High School, and Ellsworth Dansby Jr. Magnet School. With only Muffley and Franklin Grove currently safe harbored and the projects proposed rate of .02/KwH being predicated on the size and scope of the original project, the increase to .045/KwH will still provide substantial savings over 20 years as the new rate is still 50% less than the district's upcoming rate increase for traditional electricity.

STAFF RECOMMENDATION:

The Administration respectfully requests the Board of Education approve the amendment for a Power Purchase Agreement between Decatur Public School District 61 and Straight-up Solar/Hawk-Attollo as presented.

FIRST AMENDMENT TO DECATUR PUBLIC SCHOOLS POWER PURCHASE
AGREEMENT

THIS FIRST AMENDMENT TO SOLAR FACILITY POWER PURCHASE AGREEMENT ("Amendment"), dated as of the 14TH day of October, 2025, is made by and between Decatur Public Schools District #61, an Illinois School District ("Purchaser"), and Hawk-Attollo LLC, an Illinois limited liability company ("Seller").

WHEREAS, Seller and Purchaser, entered into a Power Purchase Agreement ("PPA"), dated as of March 20th 2025 (the "Effective Date"), and

WHEREAS, Due to changes in federal legislation which impact the project economics, timing of project execution and costs to complete we plan to focus on two projects in the near term which include EJ Muffley Elementary School and Franklin Grove Elementary School. These impacts consist of changes to the Federal Investment Tax Credit, utility interconnection approval timelines, and the newly established Foreign Entity of Concern regulations.

WHEREAS, Seller and Purchaser wish to modify future PPA pricing as additional portfolio capacity is granted a Notice to Proceed ("NTP"). This Amendment will govern the pricing associated with EJ Muffley and Franklin Grove Elementary schools until at which time additional capacity is deemed to have achieved NTP and a new portfolio PPA price will be negotiated and further amendments agreed upon based on the market conditions and available incentive structures at that time. The goal of which would be to achieve portfolio pricing equal to what was agreed upon in the first iteration of the PPA dated March 20th 2025.

WHEREAS, Seller and Purchaser wish to amend the PPA on the terms and conditions hereinafter set forth.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged hereby, Seller and Purchaser hereby agree as follows:

1. Contract Price. Exhibit 1 Section 4 of the PPA is hereby amended and restated in its entirety to read as follows:

"Contract Price(\$ per kWh/Annual Cost Escalation %) \$.045/0% The Contract Price assumes the completion of EJ Muffley and Franklin Grove Elementary Schools only. Any additional capacity which achieves NTP beyond the aforementioned schools will trigger a re-assessment of the Contract Price. The intent of the above phrasing is to continue to work the PPA price back to the original agreement based on capacity and market conditions related to incentives, material and labor costs, Foreign Entity of Concern regulations and/or interconnection upgrade costs "
